Valentine Party Feb 14th

Please send your child with Valentines to give to the other children on Feb 14th. There are 13 children in the class. Please just sign your child's name or have them sign their name, not the name of the person it is going too as it takes too long to hand out the Valentine's when they have to go to a specific person. I would like one parent to bring in a store bought sugar cookies for our party that we can decorate for ours party snack.

Please email me or text me if you are interested.

Printing Name

We will be encouraging the 4 year olds to sign their own name on their art projects. If your child seems interested, encourage your child to print their name at home. If your child finds lower case letters a bit **hard** start with capitals only. When they seem ready have them print their name in lower case letters-except for the first letter of their name.

Pyjama Day Feb 23rd

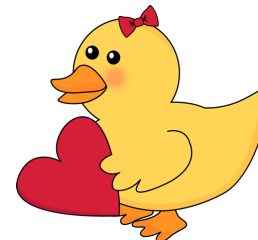

The children can come to school in their pyjama's. The children enjoy doing the unusual and showing off their pyjamas.

No School Feb 16th

Preschool Teachers Convention.

Show and Tell

Your child can bring in something they would like to show the class on the **First Tue** of the month. They should keep it in their backpack until I tell them it is show and tell time.
