

Happy Days Preschool

April 2024 School Newsletter

Themes & Concepts for April

The theme for the month of April is Farm Animals..

We will have fun with crafts, songs, books, and games related to Farm Animals.

We will also have fun making butter.

Concepts

Week	3 Yr. Olds	4 Yr. Olds
April 8th	soft	E
April 15th	Hard	F
April 22nd	Top. and bottom	G
April 29th	Front and. Behind	H

Now that the weather is nicer we will be going to George Moss Park more. We will leave around 10:30 -11:00 and you would pick your child up at the park. There will be a sign on the door letting you know we are in the park. If you are a bit late we will be walking back to the preschool on 22a St.

Puzzles

The children have been enjoying and getting good at doing puzzles first thing on Thurs morning.

Puzzles are good at developing **Executive Function Skills**:critical thinking, problem solving, attention span, spacial awareness, visual discrimination, and visual memory, **Fine Motor Skills and Eye Hand Coordination**, as well as **Academic Skills** when they are doing number, alphabet, shape, and color puzzles. Amazing how many developmental skills are developed with puzzles.
