May 2022 School Newsletter

Themes & Concepts for May

The theme for the month of May is “Signs of Spring”. We will have fun observing, discussing, and doing crafts about the changes spring brings to the life of plants, birds, and insects. We will get a caterpillar larvae to observe the changes it goes through to become a Painted Lady Butterfly the end of May.

Concepts

Week	3 Yr. Olds	4 Yr. Olds
May 2nd	Behind	Q
May 9th	Beside	R
May 16th	Full	S
May 23th	Empty	T

Registration

We are now accepting registrations for Sept, 2022.

Tadpoles to Frogs

May 5th

Charlotte, Elia's mother, will bring in their tadpoles and frogs for us to observe and learn about for the last half hour of class.

Firefighter???

Please let me know if you know a firefighter that would be willing to come into the preschool and put on his gear and teach us about fire safety. We still can't book a fire station tour so I am looking for our next best option.

Dexters Pet Shop Field Trip May 12th.

7019 Ogden Road SE

We will walk if weather permits so please be ready to drive your child if weather doesn't permit. We are not allowed to drive anyone. We are to arrive at 11AM at the pet shop.
