Themes & Concepts for September

The themes for the month of September is Dinosaurs. We will have fun with crafts, songs, books, and games related to Dinosaurs.

We are looking forward to a great month and year with the children.

Each week we will emphasize different concepts with the children. It is good if you can emphasize these concepts at home to.

Concepts

Week	3 Yr. Olds	4 Yr. Olds
Sept 8th	Red	1
Sept 15th	Green	2
Sept 22nd	Yellow	3
Sept 29th	Blue	4

Snack

Please send your child with a snack that can be put in their back pack. (**no additional lunch bags please**) It is much easier for your child to unzip one zipper at snack time. The snack can be put in the smaller pocket at the front of the back pack. Tying a colored ribbon on that zipper with the snack makes it easier for your child to find their snack.

Snack should include something to drink, something nutritious to eat. At this point we don't have anyone with nut allergies. If that happens I will ask you to eliminate nut products from your child's snack.

Please don't send your child with a small backpack.

There will be a form to sign so we can enter your child's info on a government site. The gov. will then pay \$100.00 towards the preschool fee.

School Fees

Remember to reduce the fees below by \$100.00. as gov will pay 100 of the school fees
