Themes & Concepts for September

The theme for the month of September is "dinosaurs". We will talk, sing, play games, do crafts, and read stories all related to dinosaurs.

We are looking forward to a great month with the children.

Each week I emphasize different concepts with the children. The concepts are presented in a different manner every class so that different senses and large or small muscles are involved. This enhances the children's memory. It is good if you can also emphasize these concepts at home.

Week	3 Yr. Olds	4 Yr. Olds
Sept 6th	Red	1
Sept 13th	Green	2
Sept 20st	Yellow	3
Sept 27th	Blue	4

Snack

Please send a drink and a nutritious snacks for your child.. No tree nuts or peanuts please . Send the snack in the front pocket of a backpack. The backpack should be no smaller than **16x12x5** so it has room for a change of clothes, shoes for when your child wears boots to school, crafts and snack. A colored ribbon on the zippered pocket with the snack makes it easier for your child to find their snack. No lunch boxes please
